Motion picture production activity in British Columbia is increasing. The workforce needs to expand to meet demand. Together we can grow an equitable, diverse and inclusive workforce with pathways for everyone.

PARTNER WITH US

For industry hirers, Creative Pathways is a strategic collaboration framework by which to access interested job seekers and contribute to equity-focused action through hands-on support and services at Creative BC.

THE FRAMEWORK IS LIKE A FUNNEL

From greeting and meeting to offering employment, each stage requires an increasing level of commitment. All participation is valued, but the most transformative partnerships are equity-focused. Remove barriers with us by creating work opportunities on a specific B.C. production to help people **Get into #BCFilm.**
