# Championing a dynamic motion picture industry in B.C. that is equitable, diverse, and inclusive.

Creative Pathways™ provides equity streams to remove barriers and create work opportunities for systemically underrepresented career seekers.

## Creative Pathways™ Equity Streams

Webinars connecting diverse career seekers to department heads, industry experts, and hirers.

Opportunities for diverse applicants to engage in paid work opportunities on film sets.

## Supporting Industry's Equity Practices

Developed in partnership between Creative BC and Elevate Inclusion Strategies, the Creative Equity Roadmap supports individuals, businesses, organizations and companies seeking to increase cultural competency and inclusive practices within motion picture. [creativebc.com/creative-equity-roadmap/](http://creativebc.com/creative-equity-roadmap/)

The Indigenous Screen Office Protocols and Pathways provide tools and resources to foster and support Indigenous narrative sovereignty on screens and in the film production process.
